fight it off.
Disease would almost never

man if he was prepared to resist it, and took the natu-dictated by common sense. ral precautions dictated by common sense.

When a man's stomach and liver get upset and fail to do their regular work, he can
be certain that something worse is bound to
follow, if he doesn't look out for himself.
Headaches, indigestion, biliousness and
constipation are simply Nature's warnings
that the enemy of serious disease is coming
seattack him.

that the enemy of serious disease is coming to attack him.

The sensible thing to do is to immediately fortify the system with Dr. Pierce's Golden Medical Discovery. It vitalizes and invigorates the entire constitution. It helps the liver to filter out all bilious impurities. It gives the digestive and nutritive organs power to extract nourishment from the food and turn it into rich, red, healthy blood. It creates appetite, good digestion, and solid, muscular strength.

It is far superior to the mere temporary stimulus of malt-extracts. It is better than cod liver oil emulsions because it is assimilated by the weakest stomach.

"About fifteen years ago" writes Mr. John Menter of the strength o

lated by the weakest stomach.

"About fifteen years ago" writes Mr. John Mc-Michael, editor of the Plattsburg. (Mo.) Leader,
"I was in very poor health, had no appetite, was sluggish, and so lifeless it seemed impossible for me to do anything that required effort. Every fall and spring this Ill-health seemed to affect me particularly. A friend advised me to use Dr. Pierce's Golden Medical Discovery asserting that it would restore me to perfect health, and make 'a new man' of me. Finally he induced me to try the medicine. I weighed at the time about 136 lbs. I used several bottles, and upon quitting it weighed r55 lbs. Since that time my weight has warred from this to 195 pounds.

A sure and permanent cure for constipa-tion is Dr. Pierce's Pellets. One "Pellet" is a gentle laxative, two a mild cathartic.
